

## Eureka Globalstars Call with Brazil (Finep) Launching webinar

24 October 2023

# Call text

- Countries involved: BRAZIL, Belgium (Flanders), Czech Republic, Portugal, Spain, The Netherlands and Türkiye
- International R&D projects in all fields of knowledge (check eligibility criteria)
- Evaluation criteria: impact, excellence and quality&efficiency of implementation, overall perception

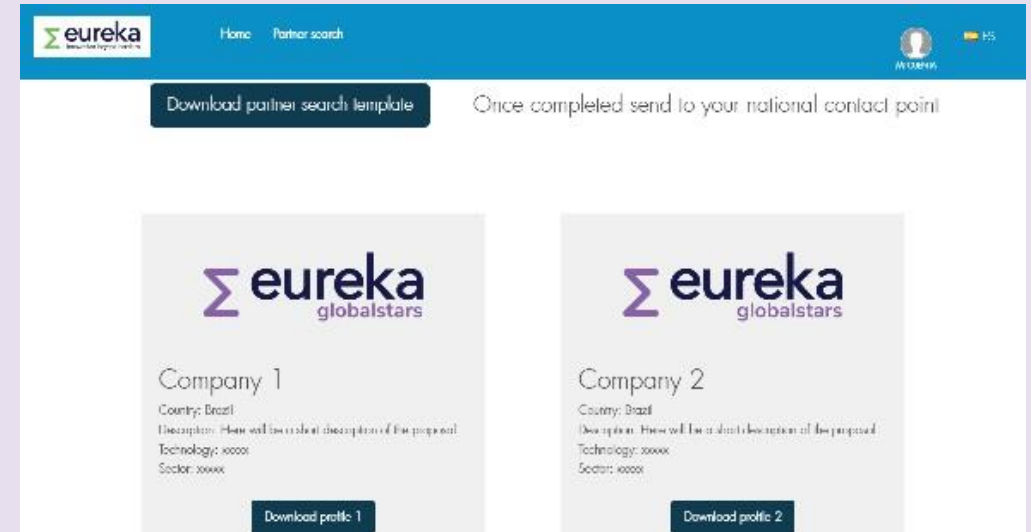

# Call procedure

- Contact national contact point as soon as possible
- (Optional) Use the partner search tool
- Register into the Eureka IT platform
- By 2 April 2024 Submit your project application through the Eureka IT platform
- Submit your national application (national deadlines could be different)
- The application will be checked for completeness and eligibility
- The application will be evaluated at international level. National evaluations could also take place
- Projects above thresholds will get the Eureka label. Funding will depend on the national decisions. Signed CA must be done by the consortium

# Partner search

- Information available in <https://eventos.cdti.es/ES/EurekaBrazil2024/Matchmaking>
- Download the template, fill in the form and send back to your national contact office
- The information will be public
- Interested entities will contact directly to you

The screenshot displays the 'Eureka Globalstars Project-partners-Search-Form'. The form is titled 'Eureka Globalstars' and 'Project-partners-Search-Form'. It contains several sections for data entry:

- Contact Person Details:** Fields for Name, Position, Phone, and Email.
- Organization Details:** Fields for Name, Country, Website, Type of Organization (with radio buttons for Small, Large Company, University, Research Inst., Administration, and Other), Number of Employees (with radio buttons for <100, 101-500, 501-1000, and >1000), and a text area to describe the activities, products, services, and expertise of the organization.
