

TECHINNOVATION SINGAPORE 18 - 19 SEPT 2018

MARINA BAY SANDS

TechInnovation brings together international technology providers and enterprises to accelerate the commercialisation of emerging technologies, seed licensing opportunities and foster open innovation collaborations.

It focuses on matching industry needs to ready-to-market technologies in the areas of Services & Digital Economy, Advanced Manufacturing & Engineering, Urban Solutions & Sustainability and Health & Personal Care from global sources.

TechInnovation 2018 will be held on 18 and 19 September 2018 at Marina Bay Sands in Singapore.

Discover, Connect & Collaborate at Asia's leading technology-industry brokerage event!

Crowdsourcing

An open innovation platform for corporations seeking technologies, solutions or partnerships.

Crowdpitching

A pitching platform for technology provider exhibitors to feature technologies for commercialisation or co-development.

Best Practices

Learn from thought leaders and be inspired by successful enterprises in their innovation journey.

1-to-1 Meetings

Pre-event matching of technology opportunities with enterprises' needs through 1-to-1 business meetings.

technologies
showcased

Over 1,300 meetings
initiated

What our Participants Say

"This has been a great event which IPI has organised for the past 6 years. It is now a major platform which is helping many good companies to connect and build a brighter future together."

**Phyllis Ong, Deputy CEO
Armstrong Industrial Corporation Limited**

"Thank you for the opportunity for DSM to participate. We met with different interested parties with possibilities for collaboration. More importantly, TechInnovation also allowed me to network for DSM. Truly helpful!"

**Rama Rajamanickam, Vice President, Science & Innovation, Asia Pacific
DSM Nutritional Products**

"TechInnovation is a very professionally managed event and is an international platform for technology matchmaking. I found our attendance there very valuable in terms of the industry feedback, new contacts in Asia and inspiration."

**Karolina Kasparova, Commercialisation Manager
University of Pardubice, Centre for Technology and Knowledge Transfer**
