India Smart Utility Week (ISUW 2019)

India Smart Grid Forum has been organising its flagship annual event, India Smart Grid Week (ISGW) since 2015. The 4th edition of ISGW was held from 05 to 09 March 2018. From the overwhelming feedbacks we received, ISGW 2018 was an astounding success, attended by over 2200+ delegates and 245 speakers from 38 countries.

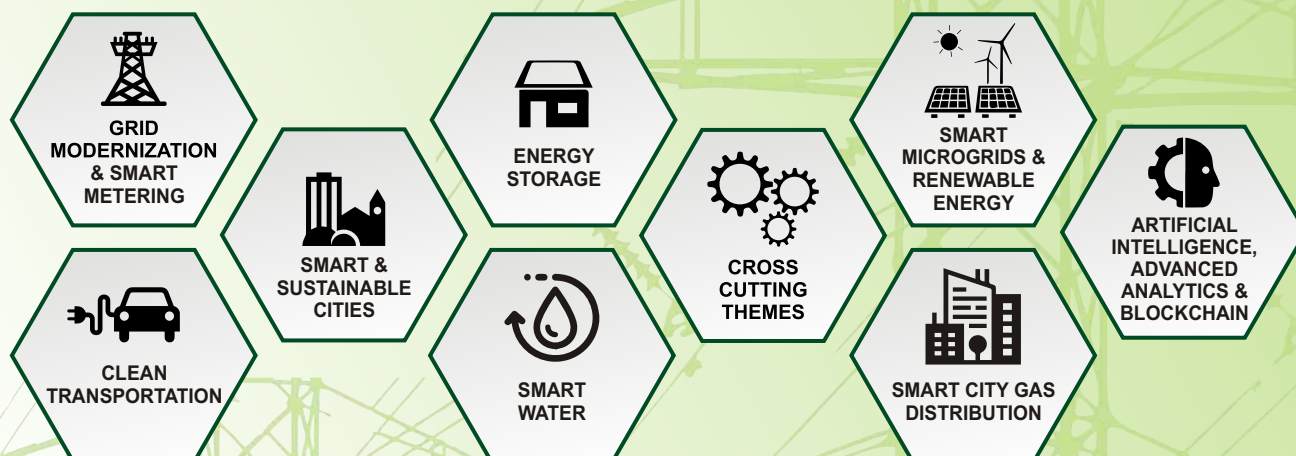

With the appreciation and motivation received from our stakeholders we are expanding the horizons of ISGW. With the inclusion of Gas Distribution and Water Distribution Utilities which are relevant in the Smart City domain, we are transforming the India Smart Grid Week (ISGW) to **India Smart Utility Week (ISUW)** in 2019. We are happy to announce that we have finalised 12 - 16 March 2019 as the dates for ISUW 2019.

ISUW 2019 will be organised as an International Conference and Exhibition that will cover key components of Smart Cities including Smart Grids, Smart Water and Smart City Gas Distribution. ISUW 2019 will bring together India's leading Electricity, Gas and Water Utilities, Policy Makers, Regulators, Investors and world's top notch experts and researchers on above domains to discuss trends, share best practices and showcase next generation technologies and products in smart utilities and smart cities domains. ISUW 2019 will include plenaries, interactive workshops, keynotes, and technical sessions. For more details visit www.isuw.in

Event Structure of ISUW 2019

12 March 2019 Tuesday	13 March 2019 Wednesday	14 March 2019 Thursday	15 March 2019 Friday	16 March 2019 Saturday
Master Classes	Conference and Exhibition	Conference and Exhibition	Conference and Exhibition	Technical Tours
Cultural Tours	Welcome Reception		ISGF Innovation Awards 2019 & Gala Dinner	Cultural Tours

Conference Themes of ISUW 2019

Parallel Events of ISUW 2019

3rd IEC-IEEE World Smart Energy Standardization Coordination Workshop*

7th EU-India Smart Grid Workshop*

Roundtable on Blockchain for Utilities

Roundtable on AI and Robotics for Utilities

02nd France - India Smart Grid Workshop*

05th US - India Smart Grid Workshop*

04th Sweden - India Smart Grid Workshop*

Roundtable on Augmented Reality for Utilities

* Program under finalization

Highlights of India Smart Grid Week 2018

Glimpses of Conference and Exhibition at ISGW 2018

SMART UTILITY
Week 2019**

ISUW 2019: Master Classes | 12 March 2019

Theme-1 Leading Grid Modernization

Topics Covered: Smart Metering, IoT, Advanced Applications and the Customer; Big Data, Small Data, Machine Learning, Blockchain, Advanced Analytics and Visualization

Theme-2 Leading Transition to a Smart City

Topics Covered: A strategic 360-degree and in-depth review of the current state and future direction of Smart City with its key aspects - Introduction and Best Practices; Smart Transportation and E-Mobility, Smart Water, Smart Gas, Smart Street Lighting, Smart Security, Waste2Energy, Digital Architecture and Cyber Security

Theme-3 Leading Transformation to Smart Power System of the Future

Topics Covered: The Supply Side Paradigm - Integration of DER's and Renewables; and Protection, Control and Automation; The Demand Side Paradigm - Flexibility and Demand Response, Energy Storage and Microgrids, Vehicle-Grid Integration, Innovative and Sustainable Business Models

ISUW 2019: Call for Technical Papers

India Smart Grid Forum

India
SMART UTILITY
Week 2019

ISGF is inviting call for Technical Papers. Abstracts to be submitted latest by 30th September 2018

Full Paper to be submitted by 30 November 2018.

For details, please visit : <http://www.isgw.in/technical-paper-isuw-2019> or write us at tp@isuw.in or visit www.isuw.in

ISGF Innovation Awards 2019 | 15 March 2019

ISGF is organising Innovation Awards as part of India Smart Utility Week (ISUW) to foster and recognize break through innovations in Smart Grid and Smart City Domains

Nomination Categories

Sr. No.	Award Categories
01	Best Smart Grid Project in India by Utility
02	Best Smart Grid Project in India by Industry
03	Best Project for Household Electrification
04	Smart Technology of the Year
05	Innovative EV of the Year
06	Smart Start-up of the Year
07	Smart Incubator of the Year
08	Most Progressive Water Utility in India
09	Most Progressive Gas Utility in India
10	ISGF President's Award for the best contribution towards growth of Smart Grids in India

Last date to submit your nominations for ISGF Innovation Awards 2019: 30 November 2018
