

Partner search on the Participant Portal (Phase 2)

December 2017

A new Partner Search feature will be available soon for open/forthcoming **topics published on the Participant Portal.**

➤ **Who can publish a partner search for a Topic?**

LEARs, Account Administrators, Self-registrants:

Log in to edit the data: specify whether you offer or search for a special expertise and provide a short description for your search.

➤ **How to publish partner search for a given topic?**

Select a topic and click on the topic card and follow the `Edit/View Partner Search` button

➤ **Any other user may view already published partner searches and contact the LEAR/Account Administrator/Self-registrant of the organisation.**

Horizon 2020

[Call budget overview](#)

Topic Description

[+ More](#)

Specific Challenge:

At the moment, Europe faces a shortfall in science-knowledgeable people at all levels of society. This is a good time to expand opportunities for science learning, in formal, non-formal and informal

Topic conditions and documents

[+ More](#)

1. Eligible countries: described in [Annex A](#) of the Work Programme.

A number of non-EU/non-Associated Countries that are not automatically eligible for funding have made specific provisions for making funding available for their participants in Horizon 2020 projects.

The 2016 Erasmus+ report was released in time for the closing celebration, held in Bozar on Thursday evening. With a budget increase of 7.5% compared to the previous year, the programme supported 21,000 projects, 15% more than in 2015. Since 2014, more than 2 million participants have benefited from mobility grants to study, train, teach, work or volunteer abroad. According to these numbers, Erasmus+ is well on track to meet its target of supporting 3.7% of young people in the EU between					
04 Dec 2017	FOROQUIMICA SL	Small or medium-size enterprise	ES	Expertise request	CO SD
The Commission has set its sights on a new ambition: developing supercomputers 10 times faster than the fastest supercomputer in existence today. But this level of raw power can only be achieved if Member States co-operate, and the signs are good: more and more Member
